

did you know...

Home ownership is transformational. Health outcomes improve, children do better in school, and neighborhoods are stabilized because people are more secure and engaged.

Affordability is key to the Habitat model which guarantees that homebuyers who are purchasing a home or homeowners who are borrowing to make repairs on their home will not spend more than 30% of their gross income on housing. It means a family can cover housing costs and still provide for life's other necessities: food, health care, transportation, education.

A decent home means a high quality, low maintenance and energy-efficient home, one that is secure and safe and easier and less costly to maintain over time.

Your support helps us make home ownership a reality for more families in our community.

other volunteer opportunities

We have many ways you can support Habitat Choptank!

Partnership and Homebuyer Support – Become a mentor to Habitat homebuyers by providing education and guidance in managing finances and the different responsibilities of a homeowner.

ReStore – Help us keep operating costs to a minimum and maximize the profit donated to Habitat Choptank's mission by greeting and assisting customers, helping at checkout, accepting donations, and general retail support.

Construction – Become one of Habitat's most visible volunteers and work on building or repairing homes. No experience necessary.

Group Build Program

Together We Are Strong

Bring your company, organization, or school to Habitat Choptank for a day of volunteering, team building, and fun!

Your group can make an important contribution to Habitat's mission of building and repairing homes in partnership with families in our community.

Organizations of all sizes recognize that a strong commitment to social responsibility is critical to success. Partnering with us is an excellent way to offer engagement opportunities, promote your organization to the greater community, and make a lasting impact on the lives of local citizens.

It is also a way to provide qualifying members of your team with information on becoming a Habitat homebuyer and a life-changing chance to own their own home.

sponsor a team volunteer day

Habitat for Humanity Choptank's Group Build Program is an engagement opportunity that helps build stronger teams while providing a unique way to give back to the community.

Your team will help Habitat build homes and a better future for new Habitat Partner Families.

Team Building Opportunities: Organizations of all sizes can engage their team members and encourage stronger relationships, while learning new skills.

No Construction Experience Needed: Habitat provides all the tools and training for your group.

Strategic Marketing Exposure: Organizations can show they are making a difference in the community through marketing conducted by Habitat Choptank.

We ask for \$50 per person in your group and can allow a maximum of 12.

Teams are asked to contribute a tax-deductible donation to cover the cost of materials, training and supervision for your group, and a T-shirt and lunch for each team member.

If you have a group over 12 or want to volunteer on a regular, routine basis, contact our Volunteer Coordinator so we can customize a program for you.

How to get started!

Review the information on Group Build opportunities and requirements on our website at <https://habitchoptank.org/volunteer/business-or-social-groups/>

Then contact our Volunteer Coordinator at 410-476-3204 or volunteers@habitchoptank.org to get the process started!
