

the Habitat Hut is officially under construction!

We're building and raffling off the Habitat Hut, the ultimate shed for any backyard gathering!

Our dedicated construction volunteers and board members are hard at work on the Habitat Hut. When it's complete, the 10' x 14' Habitat Hut will be fully constructed, designed, furnished and decorated. This \$8,000 value shed will include a brand new TV, a new grill for barbecues, and a counter window with barstools!

The Habitat Hut raffle will begin on April 1, and the winning ticket will be pulled on June 15! Tickets are \$25 each, or five for \$100!

Only 4,000 tickets will be sold, so get yours before they sell out!

Habitat Choptank will coordinate and pay for delivery of the Habitat Hut for the winner to one address anywhere in Kent, Queen Anne's, Talbot, Caroline, or Dorchester County. Delivery must take place by July 31, 2022.

Ticket sales open on April 1! Click the button below for more details!

thank you, Rural Maryland Council

We would like to thank the Rural Maryland Council for their continued support of our AmeriCorps program through a MAERDAF grant.

MAERDAF funding supports two AmeriCorps members to assist our Neighborhood Revitalization and Home Repair programs.

Mimi Sanford (right) is serving a ten month term as our Neighborhood Revitalization AmeriCorps. She has been instrumental in developing our Tool Library, our newest Neighborhood Revitalization resource which helps community members gain DIY skills to make simple repairs, perform maintenance tasks, and complete neighborhood improvement

projects. The community creates the project and provides supplies, materials, and volunteers, and Habitat Choptank brings the know-how and the tools to get the project done!

MAERDAF has supported our commitment to the AmeriCorps program and to expanding Habitat Choptank's capacity to serve additional families in our two-county service area, building strength, stability, and self-reliance at the community level.
