world habitat day 2022

Habitat Choptank board and staff members celebrated World Habitat Day with a build day!

Over 35 years ago, the United Nations established World Habitat Day to promote the importance of shelter. Today, Habitat for Humanity affiliates worldwide celebrate World Habitat Day in recognition that everyone deserves a safe, decent, and affordable place to live.

Board and staff members celebrated World Habitat Day by building the floor joists for a house on Wells Street. This street in Cambridge's Historic Pine Street Neighborhood is currently undergoing a major neighborhood revitalization project. When complete, Wells Street will have twelve Habitat Choptank houses and will be a vibrant new community!

celebrating 30 years! volunteer celebration and annual meeting

On September 25, Habitat Choptank hosted a volunteer celebration and annual meeting at the pavilion at Harriet Tubman National Park! Board members, staff, and volunteers attended this family-style event and enjoyed a potluck picnic, music performed by Ellie Rose, and our first ever Spectacular Pie Baking Contest! Some of our volunteers and board members were recognized with special awards, including the Golden Hard Hat Award and the Golden Hammer Award. Recipients of the Golden Hard Hat Award demonstrate a continual dedication to Habitat Choptank through a regular commitment to the construction site. Recipients of the Golden Hammer Award serve Habitat Choptank in multiple capacities, like committees, construction, or office support.

Scott Baynard announces Chuck Weber as the recipient of the Golden Hard Hat Award.

Jim Thomas presents George Dappert with the Golden Hammer Award.

Jeff Joseph, current Board President recognizes Paul Brant, outgoing Board President.

Nora Skiver congratulates Lari Caldwell for winning the first Habitat Choptank Spectacular Pie Baking Contest.

welcome, Travonte!

Meet Travonte McCready, our new Construction Supervisor!

Travonte was born and raised in Salisbury and currently resides in Cambridge. He is a youth mentor and the founder and president of Shore United Youth Program.

As one of our Construction Supervisors, Travonte oversees contractor home builds. He enjoys being part of Habitat Choptank and working with a great team. He also enjoys being part of making a family's dream of homeownership come true.

Travonte looks forward to building as many homes as he can with Habitat Choptank to make the community a better place with great living conditions.

Welcome to Habitat Choptank, Travonte!

homebuyer highlights
