## Habitat Choptank Welcomes New Board Members

Habitat for Choptank held its Annual Business Meeting virtually on July 20th and two highly respected community-minded leaders were welcomed onto its volunteer-based Board of Directors.

Adrian Holmes and Duane Marshall have been voted in and will serve together with our other board members in an effort to further the Habitat mission. We are incredibly grateful for our board members who offer their hard-working dedication and time-honored talents in the service of both the Talbot and Dorchester County housing communities.

Welcome to Adrian and Duane!
