

Habitat Build Challenge on Brooks Lane

We are kicking off our "Habitat Build Challenge" this March in St. Michaels! We invite businesses and governmental entities in the St. Michaels area to send a team of volunteers for a day of work on the Brooks Lane neighborhood or to write a check in support of that effort. Each team, in turn, will challenge another business or governmental entity to do the same. Jaime Windon, Town Council member and proprietor of Lyon Distilling, is leading the challenge and will be the first business to participate with a build on March 12th.

Our hope is that the Habitat Build Challenge will increase engagement in the St. Michaels community to help us address the local need for affordable housing.

Volunteers in St. Michaels

Pictured here are members from the Talbot County Women's Club who joined us at our build sites in St. Michaels this month. Thank you to all of our volunteers who have worked so hard to help us build homes, community and hope!

Volunteer with Us!

ReStore ReDesign

You can support Habitat Choptank & get creative at the same time! Enter our ReStore ReDesign and choose a ReStore item and ReDesign it into something amazing! Instructions, rules, and important dates are detailed on our registration page and website. All items will become part of the Silent Auction at our "Forever Home" fundraising event on June 6, 2020!

Upcoming AARP Workshop

Planning to stay in your home as you age? Let "Here to Stay: Home Upkeep for All" get you started! This interactive workshop provides tools and advice to make preventive home maintenance easier and more cost-effective. Join us at our next AARP workshop on Tuesday, March 10th at Christ Church, Whatley Parish Hall, 607 Church Street in Cambridge. Doors will open at 5:30 pm with the workshop starting at 6:00 pm!

February Open House

We hosted an Open House on February 20th at 519 High Street in Cambridge. This event served as an opportunity for perspective homebuyers to tour a Habitat home and ask questions about our home ownership program. We'd like to again thank everyone who was in attendance and encourage you to reach out if you or anyone you know is interested in becoming a Habitat homeowner.
