## Message from the Executive Director

JoAnn Hansen  
Executive Director

Dear Friend,

During this public health crisis and time of economic uncertainty, you and I are ever grateful for the protection and safety our own homes provide. We are mindful however, that there are many in our community who cannot “shelter in place” because they either do not have shelter or because their shelter is crowded, unsafe or unhealthy.

We do not know how this pandemic will unfold in the weeks ahead. But we do know that no one will be harder hit than those families who are at the core of our mission. They look to Habitat Choptank to help them realize their dream for a safe home of their own. **And that is why I am asking for your support today.**

Times like these can cause us to become fearful and isolated – or they can humble us, offering us the foresight and generosity of spirit to rise up to meet the needs of our fellow man.

For if the willingness is there, the gift is acceptable according to what one has, not according to what one does not have.

- 2 Corinthians 8:12 | NIV

Please join me, our staff, volunteers and board members in rising up to support the mission and ministry of Habitat Choptank by clicking on the orange “Donate” button below or by mailing a check to the address found below. **Truly, your support has never been more critical.**

God bless you,  
JoAnn Hansen
