

A mom makes a house a **home**

Give a gift that will help more families build their dreams. This Mother's Day, make a "Gift from the Heart" to Habitat for Humanity Choptank in honor of your mother or someone who has been like a mother to you in your life.

Whether they are godmothers, grandmothers, foster mothers or pet moms, we look to them as a source of hope, strength and inspiration. This year, recognize the special mothers in your life with a donation that will help build hope for more families in our community at a time when it is needed most.

When you make a donation of \$25 or more, we will send a Mother's Day card to let your special someone know that you made a donation in their honor. Your generous, tax-deductible "Gift from the

Heart" will have a lasting impact as it goes to support families while they build strength and stability in their own lives through safe and affordable homeownership.

Pictured above is the card your special "mom" will receive.

Gardening Workshop

Pickering Creek Audubon Center hosted Habitat Choptank partner families for a gardening with native plants workshop! This was part of a project generously funded by the Chesapeake Bay Trust. Our partner families were able to learn about the value of native plants for wildlife and the Chesapeake Bay. They also practiced their planting skills which will come in handy when they take on the responsibility of maintaining their future homes!

Home is Key

At Habitat for Humanity, we believe that the moments that families experience together at their home —both small and large —are the key to a family's strength and stability. Your support helps unlock a family's future. From witnessing first steps to celebrating graduations, owning a Habitat home makes many of life's special moments possible for more families every day.

Forever Home Online Auction

How adorable are these houses in the shop window at The Blue Awning in Cambridge? Before the pandemic, The Blue Awning hosted painting and decorating sessions so that these houses could be used as centerpieces for our annual fundraiser. Although our in-person fundraiser could not happen, each of these houses is now being sold for \$20 to help support our Forever Home Online Auction this June! Be sure to stop by to show your support!
