

June is National Homeownership Month

Habitat Choptank is dedicated to making safe, decent, and affordable homeownership possible for families in Talbot and Dorchester Counties. National Homeownership Month resonates with our mission as we remember the benefits that homeownership has to offer. A safe, decent, and affordable home is fundamental to a family's health, safety, financial freedom, independence, stability, and security.

"My home has made a tremendous difference in my life because I

get to show my son that you can literally have anything you put your mind to! The sky is the limit," says JoNesha, who became a Habitat homeowner in April 2022. "Our home means the world to us! Some days, I'm still in disbelief that I became a homeowner at 26!"

During National Homeownership Month and every month of the year, Habitat Choptank works to make homeownership more accessible and to help families realize their dreams of becoming homeowners.

leave a legacy at the Harriet Tubman statue

You can leave a legacy by putting your words around the Harriet Tubman statue at the Dorchester County Courthouse!

Alpha Genesis CDC, a community partner of Habitat Choptank has organized a fundraiser for the "Beacon of Hope" Harriet Tubman statue. You can support the fundraiser and become a part of "her-story" by purchasing a brick that will be placed around the Harriet Tubman statue.

These bricks are wonderful ways to leave a legacy for your family, church, organization, or business. Bricks are available in 4"x8" and 8"x8" sizes at various sponsorship levels.

This fundraiser ends on July 1, 2022!
