

give a tribute "gift from the heart" for Father's Day

This Father's Day, you can make a tribute "Gift from the Heart" in honor of the fathers and father figures in your life!

A "Gift from the Heart" is a great way to support Habitat Choptank while giving a meaningful and unique gift to someone special. Tribute gifts make a difference in the lives of families in your community. Your donation in honor or in memory of a loved one will help us build safe and affordable homes for families in Talbot and Dorchester Counties.

When you make a tribute gift of \$25 or more to Habitat Choptank, your loved one will receive this lovely Father's Day card! Make

your gift before June 9 to have the card mailed to you so that you can write your own Father's Day message. Otherwise, you can select our pre-written message and we will mail the card for you!
