## our 100th home dedication

Habitat Choptank dedicated its 100th home on Saturday, November 12 in the Historic Pine Street Neighborhood in Cambridge.

While working full time, Keyondra completed "sweat equity," hours, attended financial education classes, and saved funds for the down payment of her home.

Habitat Choptank extends its gratitude to all of the volunteers, donors, and partners who helped to make homeownership a

reality for Keyondra. The affiliate especially thanks Maryland Department of Housing and Community Development (DHCD) and the City of Cambridge for providing funds to build the 100th Habitat Choptank house.

This milestone home dedication is a wonderful way to celebrate 30 years of building homes, community, and hope in Talbot and Dorchester Counties.

## corsi cube workshop

We had a great time building DIY air purifiers at the Corsi Cube Workshop on Saturday, October 22!

Corsi Cubes are an easy and affordable way to improve indoor air quality. We helped to build over 30 Corsi Cubes which will filter air in homes, daycares, office spaces, classrooms, and other spaces throughout Dorchester County.

Thank you to the Dorchester County Health Department and Chesapeake College for making the Corsi Cube Workshop possible and for inviting us to participate!

## meet Ashley!

**Meet Ashley Shephard, our new Family Services Coordinator!**

**Ashley is a recent graduate from Salisbury University. She earned her BA in Psychology, and she is currently earning her MA in Clinical Mental Health Counseling from the Chicago School of Professional Psychology.**

**As our new Family Services Coordinator, Ashley assists families who are looking to have repairs done on their homes. She also works on a variety of neighborhood revitalization projects in Cambridge and Easton.**

**Ashley was introduced to Habitat for Humanity's mission and vision in college, when she volunteered on a Habitat build site. She enjoys being able to have a larger community impact and improving the lives of families in our service area. She also enjoys the sense of community within the office and the dedication that all of the staff have to making a difference in the community.**

**Ashley looks forward to continuing the Critical Home Repair program and implementing new resources within the community. She is excited to see how the program grows and continues its amazing impact.**

**Welcome to Habitat Choptank, Ashley!**
